We now have all Interagency comments in hand. See attached late comments from NIEHS and also alongside the 5 or 6 other agencies on the Interagency review site: [Go to the site](#) (you likely need to request permission from Dahnish for the latter). We will set up a meeting to discuss next week. -B&A

Kris,  
Attached are the comments from NIEHS on the draft EPA IRIS assessment on formaldehyde. Please let us know if you have questions.

I will share the Outlook calendar information regarding the EPA meeting on Jan 25 with Ruth and her team. For our planning purposes and awareness, what will be the structure and process for the Jan 25 meeting (e.g., do agencies present remarks, ask questions, receive input from EPA regarding changes to the draft IRIS assessment based on comments, etc).

Please acknowledge receipts of the NIEHS comments.

Thanks,

Mary
